Big News for B Meets!

New! Online Sign-up for Volunteers

The school year may not be finished yet, but it's already time to start thinking about those fun-filled Wednesday nights of summer! There are some exciting changes for the Stonegate Serpents in our B meets this summer. First, the B meets will now be seeded -- there will be meet sheets and the swimmers will be placed in heats according to their times. This should help the meets run more smoothly and give all of our swimmers a better chance at achieving personal best times!

Secondly, we have made it simple and pain-free to volunteer. There is now an online sign-up website for all of the B meet volunteers! Simply click [here](#) and enter the password **sonic**. It's as simple as that! Any questions about the B meets or the volunteer opportunities, contact your B Rep, [Shelley Stahl](#).
